Mr Tom Brett,
Kordia Solutions Pty Ltd,
9/137-145 Rooks Road,
NUNAWADING Vic.

Dear Tom,

RE: STAFF CONTRIBUTIONS – CHRISTMAS CHEER

I write in response to the collection of gifts provided by the Kordia staff to assist The Salvation Army in making Christmas a little brighter for some people this year.

The Salvation Army, together with other groups, is very active in reaching people who struggle financially to provide special treats for their families each Christmas. Certainly there is a lot of hype through the commercial world to emphasize Christmas as a time of celebration and giving, and this raises the expectations of children particularly.

We receive an incredible support from corporates, small businesses and individuals each year to help many around Australia find a little joy at Christmas time. The donation of gifts from your Company is part of the support we receive, and I write to thank you and your people for the generosity. You partner with The Salvation Army in bringing some joy into young lives.

Please pass on our thanks to your staff. May Christmas 2016 be a peaceful and happy time for all.

Yours sincerely,

Gary Hart – Major
